Subject:	Tile Engraving at Central Square to Recognize Virgil Traynor

The Issue

Shall the City Council approve the engraving of a granite tile paver in Central Square to recognize Virgil Traynor for his contributions to the community?

Conclusion and Recommendation

Discussion item, provide direction to staff.

Background

At the January 9th City Council Meeting, two members of the Auburn Community spoke regarding recognizing Virgil Traynor with an engraved tile in Central Square for everything he has contributed to this community. Dick Azevedo and Bart Rudd, both residents of Auburn, named just a few of the many things he has done for this community including his work as one of the Founding Members of the Auburn Community Cancer Endowment Fund, his work on the Downtown Theater Building, his years of work practicing Veterinarian Medicine in Auburn, his position on the ARD Board, President of Rotary, Little League Coach, Board of Trustee for Sierra College, and his work in the Auburn Rotary Community Garden. As a result of his outstanding volunteerism, Virgil Traynor is being nominated for an engraved tile in Central Square.

Fiscal Impact

The community members who have brought this forward will also be providing funding for the engraving of the tile. There are no associated costs to the City.
