PARCEL BOUNDARY LINE VERIFICATION FORM

Owners Name: _____

APN: _____

Site Address: _____

BP #: _____

Parcel Map or Subdivision Map #: _____

Property owners are recommended to **have the required property line(s) marked** on site so that **City Inspectors can easily verify that the setback requirements have been met.**

When the proposed development is less than twice the building setback to any property line or right of way then:

Lot line(s) shall be located and marked in the field by a licensed land surveyor or civil engineer authorized to practice land surveying. A drawing or copy of a recorded map of the subject property clearly indicating the lines located and marked, shall be submitted to the Building Department prior to the first onsite inspection and shall bear the following statement:

The line(s) shown hereon, as located and marked, were done so by myself or under my direct supervision on:

Date

Signature & Seal (Licensed Surveyor/Engineer)
