

## **Michael Goodwin**

Michael Goodwin  
1946-2012

London born Maestro Goodwin led the Auburn Symphony for 17 years. Under his leadership, the symphony doubled its size and attracted professional level musicians. He transformed a provincial undertaking to a regional orchestra with a reputation of performing the highest level. As Artistic Director and Conductor from 1995 to 2012, he was responsible for building a significant program and was especially known for bringing the appreciation of music to the children of the community.
