**DOWNTOWN/OLDTOWN AUBURN
STREET BANNER POLICY AND PROGRAM GUIDELINES**

Adopted November 25, 2019 Reso 19-94

PURPOSE:

It is the goal of the City of Auburn to design, install, and maintain improvements within public rights-of-way in a manner that facilitates, and does not adversely impact, the primary purpose of public rights-of-way, which is the safe and effective travel of vehicles, bicycles, and pedestrians on public streets and sidewalks.

Supplemental to these fundamental purposes of City rights-of-way, the City finds that limited spaces within rights-of-way in the Downtown/Oldtown Banner Area may be used by the City to communicate important City messages to the public, without adversely impacting the primary purposes identified above, as long as the guidelines set forth in this document are followed. In order to implement the use of banners within City rights-of-way in the Downtown/Oldtown Banner Area to communicate a City message, the City Council hereby adopts these Downtown/Oldtown Area Street Banner Policy and Program Guidelines (“Street Banner Program Guidelines” or “Program Guidelines”).

The goals of the Street Banner Program Guidelines are as follows:

- To use well-designed banners across City streets as an effective tool to accentuate city streetscapes and convey important City messages to the public;
- To welcome visitors to Auburn’s downtown/oldtown and highlight key gateways to the area;
- To announce and publicize events that are open to the public, including special community events, cultural facilities; to designate geographic areas; and market the downtown to visitors and locals alike;
- To establish uniform procedures for the design, installation, maintenance and removal of banners; and
- To limit and regulate the use of banners pursuant to these Program Guidelines in order to not adversely impact the primary purposes of the use of City rights-of-way, which is the safe and effective travel of vehicles, bicycles, and pedestrians on public streets and sidewalks.

The Street Banner Program Guidelines shall only apply to banners located within City rights-of-way or City property, generally within or immediately adjacent to the City’s downtown/oldtown areas. This policy shall not apply to any City Park. Banners placed on private property are regulated by the City’s Sign Ordinance in Auburn Municipal Code section 159.185 et seq.

The City Council hereby authorizes the City Manager or his or her designee to implement the Street Banner Program Guidelines in accordance with the following goals, policies, procedures and guidelines. All references in these Program Guidelines to "City Manager" shall mean the City Manager or the City Manager's authorized designee.

GUIDELINES:

Program Eligibility

The City may use banners in the Downtown/Oldtown Banner Area to promote the following:

- Local community events open to the public which are held by governmental or non-profit entities.

The City will not allow banners to be used to promote any activity that is not open to the public, any activity for which the City is precluded from spending public funds (such as political campaigns), any activity that is not in compliance with any local, State, or federal law, or any image or message that is inconsistent with the Street Banner Program Guidelines.

The City has two Banner Poles available:

particular message is not in compliance with these Program Guidelines, the City Manager may choose not to implement the proposal. By implementing this policy, the City intends to facilitate assistance with communicating City messages. The City does not intend to create a public forum of any kind.

The City Manager may suspend the program described in these Program Guidelines at any time by providing public notice to the City Council.
