

## *Report to the Auburn City Council*

Action Item

Agenda Item No.

City Manager's Approval

**To:** Honorable Mayor and City Council Members  
**From:** Donna Silva, City Treasurer  
Nita Wracker, Finance Director  
**Date:** August 28, 2017  
**Subject:** Quarterly Report of Investments – Quarter Ending June 30, 2017

### **The Issue**

The City Council is required by state law and the City of Auburn's Investment Policy to receive and review a Quarterly Investment Report.

### **Recommended Action Requested**

Receive, review and file the "*City of Auburn Quarterly Investment Report*" for the quarter ending June 30, 2017.

### **Background**

The purpose of the treasurer's report is to update the Council and the public on the status of the City's cash balances and investments, and highlight material changes from one period to another. The scope of this report covers the fourth quarter of fiscal year 2016-2017, ending June 30, 2017.

The City's investment objectives are established by the City Council approved Investment Policy. The Investment Policy is guided and constrained by the California Government Code. The City Council periodically reviews and adjusts the Investment Policy to ensure ongoing compliance with the government code and to maximize investment flexibility as permitted. The current Investment Policy has the following objectives for the portfolio:

1. Safety
2. Liquidity
3. Yield

Attached is the quarterly Treasurer's Report for the three months ended June 30, 2017.

At March 31, 2017, the end of the previous quarter, the value of the City's total portfolio was \$11 million. Since that time, the value of the City's portfolio increased by \$775,000 for an ending balance of \$11.8 million as of June 30, 2017. The increased balance is due

to the receipt of property tax revenues from the County, less debt service payments due and paid at year end. The funds are currently held as follows:

Cash at Banking Institutions	\$ 6,633,636.29
Placer County Investment Pool	\$ 4,374,386.46
Short-Term Investments	\$ 757,932.50
Local Agency Investment Fund (LAIF)	\$ 43,032.15

The portfolio is heavily concentrated in cash and money markets accounts. Since the last report staff has moved \$2 million out of the checking account into the Placer County Investment Pool, slightly improving the distribution of investments. In order to efficiently maximize yields, the City Finance Director and Treasurer will continue to analyze cash flow needs to determine when additional transfers can be made into the Placer County investment pool, without risking a funding shortfall in the general checking account.

**Fiscal Impact**

None. All investments held at June 30, 2017 conform to the City's Investment Policy and the State of California Government Code.
